**Premium Heavy-Duty Manual Slicer**

**Model**
- SG13 (Advanced Model)

**Standard Features**
- Patented anodized aluminum design & construction for quick and easy cleaning
- Patent-pending indexing system enables accurate and precise slice thickness adjustment up to 1-1/8”
- 13” steel knife with hardened edge provides quality slices and higher yield
- Tilting carriage accommodates up to 13.75” H, 8” dia., 11” W large products, like prosciutto, mortadella and bacon
- Advanced meat grip design for superior product hold
- 1/2 HP continuous use knife motor combined with the high efficiency knife drive system delivers optimum power
- No Voltage Release prevents inadvertent reactivation of slicer in the event of interlock or power interruption
- Interlock prevents slicer from operating without the knife cover in place
- Top mounted, removable sharpening system utilizes long-lasting synthetic diamond surfaces and enables quick and easy sharpening and cleaning
- Kickstand to facilitate ease of cleaning
- Home Start – carriage must be in home position to start slicer
- Adjustable timer – shuts off slicer after inactivity
- Close to Stop – closing slicer table shuts off slicer
- Carriage tilt interlock – prevents knife exposure when carriage is tilted and prevents slicer from operating
- Patent-pending graphic user interface with Clear-Text LCD display provides operator messages, diagnostics and system information in English, Spanish and French

**Warranty**
- Two year parts and labor
- Lifetime warranty on sharpening stones

**Factory Installed Options**
- **NEW!** KNIFE-RMV - Removable Knife includes removal tool
- **NEW!** CARRIAGE-RMV - Removable Carriage
