Superior performance, quality and value in every product.
Globe —

A FRESH PERSPECTIVE

In the past 25 years Globe has expanded its food slicer line with product categories such as mixers, choppers, immersion blenders, juice extractors, scales and cooking equipment. Currently, Globe offers more slicer & mixer models than any other brand in the United States.

At Globe Food Equipment Company, we believe both products and people are important. While our name has been synonymous with reliable, high-performance slicers for decades, it has also been a mark of lasting value and personal service. We provide exceptional foodservice equipment and unparalleled after-sales support. Backed by our strong network of dealers and service experts, Globe is a name you can count on — a name you can trust.

TECH SUPPORT

1-866-260-0522, 8 a.m. to 8 p.m. EST
7 days a week excluding major holidays
Globe’s all-new S-Series line of slicers delivers MORE of the powerful features operators need and the high-quality cuts customers expect. With consistent performance, convenience, and low cost of ownership, the S-Series sets a new standard for heavy-duty slicers.

More PRECISION
The patent pending indexing system and oversized knob provides precise control for the thinnest slices.

More YIELD
The specially designed carriage and end weight provide better product retention, generating higher yield. The knife and sharpening system maintain the thinnest edge for a superior slice and improved yield.

More CONSISTENCY
The unique design of the meat grip teeth and weighted arm, paired with the grooved carriage, keeps even the largest product in place for consistent cuts – slice after slice.

More ACCESS
Our patented one-piece anodized aluminum base provides the most access to typically hard to reach spaces for quick cleanup.

More CONVENIENCE
The carriage easily tilts back for convenient cleaning and remains secured to maintain the precise slicing geometry – improving slice quality and yield.

More SANITATION
For faster cleanup, each slicer is built with a quickly removable slide rod, knife cover and meat grip, and either a kickstand or a lift lever enabling easy countertop cleanup.
More INFORMATION
The industry's only graphic user interface eliminates blinking lights and error codes and enables operators to select speed and stroke length, read messages, diagnostics and system information. Now with primary and secondary language capabilities.

More CAPACITY
The extended carriage and large platter accommodate large products such as prosciutto, bacon and mortadella.

More INTUITIVE
Color cues the operator to areas designed for proper and safe operation: handles, knobs, etc.

More CONVENIENT SHARPENING
The top-mounted sharpener utilizes long-lasting synthetic diamond surfaces and is easily removed for cleaning, yet stays on the slicer so it won't get lost.

More PEACE OF MIND
2-year parts & labor warranty is double our competition's with unparalleled customer support extending beyond the sale.

More SAVINGS
Knife & parts replacement costs are typically priced less than the competition for a lower total cost of ownership.

More AVAILABILITY
Service and parts are available from many sources including multiple local servicers and parts distributors.
NEW! Premium Manual S-SERIES SLICERS

**Globe® S13**
Manual Slicer Standard Features

- 1/2 HP continuous use knife motor combined with a high efficiency knife drive system delivers optimum power for all day slicing
- 13” steel knife with hardened edge provides quality slices and higher yield
- Patented anodized aluminum base design & construction for quick and easy cleaning
- Patent pending indexing system enables accurate and precise slice thickness adjustment up to 1-1/8”
- Tilting carriage accommodates up to 13.75” H, 8” Dia., 11” W large products, like prosciutto, mortadella and bacon
- Advanced meat grip design for superior product hold and yield
- No voltage release prevents inadvertent reactivation of slicer in the event of interlock or power interruption
- Interlock prevents slicer from operating without the knife cover in place or with carriage tilted
- Top mounted, removable sharpening system utilizes long-lasting synthetic diamond surfaces and enables quick and easy sharpening and cleaning
- Kickstand to facilitate ease of cleaning underneath slicer

**Globe® SG13**
Manual Slicer Advanced Features *(above included)*

- Home Start – carriage must be in Home position to start slicer
- Adjustable timer – shuts off slicer after inactivity
- Close to Stop – closing slicer table shuts off slicer
- Carriage tilt interlock – prevents knife exposure when carriage is tilted and prevents slicer from operating
- Patent pending graphic user interface with Clear Text LCD display provides operator messages, diagnostics and system information in three languages: English, Spanish and French

**Dimensions**

*S13, SG13: 36.5” W x 29.6” D x 25.5” H*
NEW! Premium Automatic S-Series Slicers

**Globe® S13A**
Automatic Slicer Standard Features

- 1/2 HP continuous use knife motor combined with a high efficiency knife drive system delivers optimum power for all day slicing
- 13” steel knife with hardened edge provides quality slices and higher yield
- Patented anodized aluminum base design and construction for quick and easy cleaning
- Patent pending indexing system enables accurate and precise slice thickness adjustment up to 1-1/8”
- Tilting carriage accommodates up to 13.75” H, 8” Dia., 11” W large products, like prosciutto, mortadella and bacon
- Advanced meat grip design for superior product hold and yield
- No voltage release prevents inadvertent reactivation of slicer in the event of interlock or power interruption
- Interlock prevents slicer from operating without the knife cover in place or with carriage tilted
- Variable speed brushless automatic motor delivers 3ft. lbs. of peak torque in automatic mode
- Patent pending auto engagement system ensures no slippage while slicing
- Lift lever to facilitate ease of cleaning table underneath slicer
- Top mounted, removable sharpening system utilizes long lasting synthetic diamond surfaces and enables quick and easy sharpening and cleaning
- Patent pending graphic user interface with Clear Text LCD display provides operator messages, diagnostics and system information in three languages: English, Spanish and French
- 2 cut lengths and 2 speeds for bulk slicing

**Globe® SG13A**
Automatic Slicer Advanced Features *(above included)*

- Home Start – carriage must be in Home position to start slicer
- Return to Home – returns carriage to home position when powering off motor
- Carriage tilt interlock – prevents knife exposure when carriage is tilted and prevents slicer from operating
- Adjustable timer – shuts off slicer after inactivity
- Close to Stop – closing slicer table shuts off slicer
- 3 cut lengths and 4 speeds for bulk slicing

Dimensions

**S13A, SG13A:** 38.7” W x 26.7” D x 20.9” H

---

**EXTENDED WARRANTY OPTION GLOBE SLICERS**

Globe offers an exclusive extended warranty on all Globe Slicers. When purchased, the extended warranty goes into effect the first day the standard warranty terms have been met. Warranty extension is only available for purchase at the time of equipment sale. Each slicer comes with a standard warranty at no cost to you.
NEW! S-Series Factory Installed OPTIONS

Optional features to customize your S-Series slicer to fit your application needs!

**PREMIUM SLICER CORRECTIONAL PACKAGE (S13 & S13A)**
Globe’s comprehensive correctional package is designed to protect the slicer from intentional damage and/or vandalism.

**Package Features:**
- Sharpening assembly is removable, allowing the sharpener to be stored securely, and immersible for easy cleaning and sanitizing
- Tamper-proof Torx 6-pin head fasteners protect components from unwanted removal
- Slicer feet can be secured to table

**PREMIUM FROZEN SLICER OPTION (S13 & S13A)**
Globe’s Premium frozen option is available in a manual and automatic model, with a 13” steel double serrated knife and 1/2 HP motor.

**Features:**
- Thickness adjustment up to 1/8”
- Single speed automatic mode for optimal frozen meat slicing with 30 strokes per minute
- Slices frozen product between 0º and 32º F, as well as most non-frozen products

**NEW! REMOVABLE KNIFE AND CARRIAGE**
Easy knife removal, with more access for cleaning and better operator protection.
The removable carriage makes cleaning easier, with or without tilting. Pins align easily for reinstallation and the captive knob keeps the carriage secure during operation.

**TOOL REMOVES KNIFE EASILY**
Perfect for theater slicing and front-of-house display, Globe’s new FS12 and FS14 Flywheel Slicers accommodate traditionally oversized artisan meats and deliver tissue thin slices. This vintage-style volano slicer features classic Italian design, vibrant red enamel with black and gold hand-detailing, and an optional authentic Italian marble receiving shelf.

_Totally hand-powered, this manual slicer gives the operator complete speed & slice thickness control._

**Globe® FS12, FS14**

Premium Flywheel Slicers

- Traditional hollow ground chrome-plated carbon steel precision knife
  - FS12 - 12” (300 mm) diameter
  - FS14 - 14” (350mm) diameter
- Precision slice adjustment with 9 settings from tissue-thin up to 3/32” (2.5mm)
- Accommodates oversized product up to 11” wide and 9.5” high
- Built-in knife sharpener
- Fully hand-operated, no electrical connection required
- Largest low-resistance flywheel for superior speed control and easy operation
- Designed for ease of cleaning; meets demanding sanitation certification requirements
- Ring guard for blade protection
- Aluminum construction with stainless steel trim
- Baked enamel paint and premium decorative gold detailing
- Optional authentic Italian marble receiving shelf

**BEST WARRANTY IN THE INDUSTRY!**

Two-year parts and labor for all premium slicers
G-Series MEDIUM DUTY SLICERS

Globe® G10, G12 & G14
Manual Slicers
• One-piece anodized aluminum base for quick and easy cleanup
• Smooth stainless steel ball bearing chute slide
• No voltage release relay system
• Knife cover interlock and knife ring guard
• Motor overload protection with manual reset
• Removable slice deflector - includes screw “teardrops” for easy removal
• Adjustment knobs provide positive feel and better grip
• Dual purpose handle with ergonomic design provides better control of product and slicing
• Ideal 35° slicing angle
• Slicing thickness
  G10, G12, and G14: 0 to 9/16”
• Metal bottom enclosure keeps components protected

Powerful motor
G10: 1/3 HP, 115/60/1, 3 amps
G12: 1/2 HP, 115/60/1, 3 amps
G14: 1/2 HP, 115/60/1, 4 amps

Dimensions
G10: 17.5” W x 21.25” D x 14.5” H
G12: 25” W x 25.25” D x 17.25” H
G14: 25” W x 28” D x 18.5” H

Globe® G12A Automatic Slicer
• Automatic/Independent chute drive - separate chute motor. Chute travels at 40 strokes per minute utilizing a separate motor & linkage drive system
• Full bottom enclosure protects the motor, controls and table adjustment mechanism from moisture and debris
• Food fence included on the G12A only
• Slice thickness from 0 to 1/2”
• 1/2 HP motor, 115/60/1, 3 amps
• 25” W x 25.25” D x 20.25” H

G12, G12A, G14 SLICERS
Improved Slicing Performance and Convenience!

A. Chute and end weight now accommodate 10.5” tall products. End weight teeth have an exclusive pyramid-shaped design to hold product better during slicing — delivering a higher quality slice!
B. Improved gripping teeth on underside of end weight give added stability when slicing tall products.
C. Knob added to knife cover for easier removal and installation.

Special G12-Q and G14-Q Slicers available for Québec ONLY. G12-Q and G14-Q slicers are EN1974, UL763, and CSA, C22.2 compliant.

**G-Series MEDIUM DUTY SLICER**

*Chefmate® by Globe GC512*

Manual Slicer

- Gear driven knife with powerful 1/3 HP motor (115/60/1, 4.8 amps)
- Knife cover interlock
- Precision thickness adjusting ensures slices from tissue-thin up to 7/8" thick
- Stainless steel food contact areas
- Stainless steel knife with knife cover interlock
- Permanently attached knife ring guard
- 19.4" W x 27.3" D x 21" H

**C-Series ECONOMY SLICERS**

*C9, C10 & C12 Chefmate® by Globe*

Manual Slicers

All C-Series slicers are branded with the *Chefmate® by Globe* logo, a proven symbol of value, price and performance known throughout the industry. These slicers are specifically designed for light duty applications.

- Dual purpose handle with improved ergonomic design
- Stainless steel ball bearing chute slide provides superior gliding action
- Motor with permanently lubricated ball bearings ensures quiet operation
- Anodized aluminum construction

**Motor**

- **C9**: 1/4 HP, 115/60/1, 2 amps
- **C10**: 1/4 HP, 115/60/1, 2.5 amps
- **C12**: 1/3 HP, 115/60/1, 3 amps

**Dimensions**

- **C9**: 19" W x 16.75" D x 14.25" H
- **C10**: 19" W x 17.25" D x 15" H
- **C12**: 24" W x 23.5" D x 17.5" H

Do you have the right slicer for your operation?
To determine which slicer is best suited for your operation, use Globe’s selection guide below. A few main things to consider...

1. How many hours per day will the slicer be used?
   If slicing plays a significant role in your daily operation, Globe’s premium slicers can withstand constant use and are recommended for their precision slicing, powerful performance and proven reliability.

2. Will you be slicing cheese? If so, how much and how often?
   If slicing cheese is integral to an operation, Globe slicers are a must have! Globe’s Premium slicers are well suited for slicing cheese as the slicer does not get bogged down when the cheese makes contact with the knife. For medium-duty operations where cheese will be sliced on a limited basis, the heavy-duty or medium-duty compact slicers will work; see the selection guide below.

3. What if the product is frozen?
   Products such as frozen meat are difficult - at best - when slicing. Globe’s S-Series Frozen Meat Slicer Factory-installed option has a serrated knife to power through frozen meats.

PERFORMANCE WHEN YOU KNEAD IT

Speed, power, consistency and quality!

*What makes Globe different?* Design and manufacturing. Gear transmissions that use premium alloy steel and overbuilt shafts that outlast and outperform belt drive systems.

Easier to use front-mounted controls, accessories included at no extra cost, lower price and better warranty. Globe mixers, simply put, give you more! *Globe spiral mixers* are dough "specialists". Perfect for pizzerias, bakeries, any operation where producing large batches of dough are needed.

**Countertop MIXERS**

**Globe® SP05** Planetary Countertop Mixer
- 5 qt. Power Mixer
- Powerful 800 watt motor
- 5 lbs. at 60% absorption ratio
- 10 Speeds
- #10 hub
- *Includes*: stainless steel bowl, stainless steel beater, stainless steel whip, stainless steel dough hook and polycarbonate splash cover.

**Globe® SP08** Planetary Countertop Mixer
- 8 qt. planetary countertop power mixer
- Powerful custom built 1/4 HP motor
- Gear driven, high torque transmission
- Front-mounted controls with 15-minute digital timer
- *Includes*: stainless steel bowl, stainless steel beater, stainless steel whip, stainless steel dough hook and polycarbonate splash cover.

Two-year parts and labor on all mixers!
*Extended warranty option see page 18*
**Key Features** Planetary Bench Mixers

- Powerful custom-built heavy-duty motor
- Heat treated and hardened steel gears and shafts simplify tough mixing jobs
- Front-mounted touch pad control panel and 60-minute digital timer, with easier to read LED display
- Removable stainless steel bowl guard
- Interlocked bowl guard and bowl lift
- Rigid cast iron body
- High torque, gear driven, permanently lubricated transmission
- Three fixed speeds
- Industry standard #12 attachment hub
- Thermal overload protection

*Includes:* Stainless steel bowl, aluminum flat beater, stainless steel wire whip, aluminum spiral dough hook.

Specifications may vary from model to model. Additional mixer accessories sold separately. Special SPC mixers available for Quebec only. SPC mixers are NF 454-00, CSA Z432-04, and CSA, C22.2 compliant.

**Take a Closer Look**

**A. Mixer Correctional Package for bench and floor mixers** SP10, SP20, SP25, SP30, SP30P, SP40, SP60, SP62P, SP62P-4 and SP80PL is available for correctional institutions.

The Correctional Package offers tamper resistant external fasteners. All external fasteners are Torx pin head screws, which can only be removed with the appropriate tool included in the package.

**B. Spring Tensioned Bowl Clamps** securely hold bowl in place, reducing rocking while enabling quiet operation.

**C. Permanently lubricated, Gear-Driven Transmission** provides long-lasting power while the grease pack prevents gears from rusting and degrading over time.

**D. Removable bowl guard** with fully-welded ingredient chute. Standard with models SP10-SP60.

**Specifications subject to change without notice**
Planetary Floor MIXERS

Key Features Planetary Floor Mixers

- Powerful custom built heavy-duty motor
- Heat treated and hardened steel gears and shafts simplify tough mixing jobs
- Front-mounted controls with 60 minute LED digital timer for increased visibility
- High torque, gear driven, permanently lubricated transmission
- Removable stainless steel bowl guard
- Interlocked bowl guard and bowl lift
- Rigid cast iron body
- Fixed speed gear transmission
- Industry standard #12 attachment hub
- Thermal overload protection
- Power bowl lift on SP62P and SP80PL

Includes: Stainless steel bowl, aluminum flat beater, stainless steel wire whip, aluminum spiral dough hook. (Bowl truck included with the SP60, SP62P, SP62P-4 and SP80PL).

Specifications may vary from model to model.
Additional mixer accessories sold separately. Special SPC mixers available for Québec ONLY. SPC mixers are NF 454-00, CSA Z432-04, and CSA, C22.2 compliant.

Front-Mounted Control Panel with 60-Minute Digital Timer

Globe 10-qt. and larger mixers feature touch pad electronic controls — more reliable, accurate & easier to use than dial timers.

Last batch recall — remembers last programmed time when preparing multiple batches to ensure mix consistency and increase productivity.

Easy to see LED timer. Timer pauses when mixer stops for improved consistency.

Mixer capacity chart located on page 18

Two-year parts and labor on all mixers! Extended warranty options see page 18
Globe® SP30P, SP62P Pizza Mixers

While all Globe mixers can mix pizza dough, the SP30P (pictured pg. 16) and the SP62P (left) are specifically built for tough dough applications.

The 60 quart SP62P is perfect for high-volume pizza operations. With the capacity to handle up to 50 lbs. of flour and three gallons of water, this powerful, reliable product will minimize mix time and maximize dough output.

- High torque, direct-gear drive transmission can handle the most demanding mixing applications: 1.5 HP SP30P, 3 HP SP62P
- Digital controls, timer, and bowl lift (power bowl lift on SP62P)
- Heat-treated steel alloy gears and shafts
- Comes with a stainless steel bowl and spiral dough hook
- Bowl truck included with SP62P

Spiral MIXERS

Quality, power and endurance, everything you’ve come to expect in Globe planetary mixers can now be found in Globe Spiral Mixers.

Two models, based on dough output weight — 130 & 175 pounds — will certainly mix it up and produce the best quality dough. Put an end to ingredient waste and dough that is too dry or too moist. Maximize output and effort. Go Spiral — make more dough!

Key Features Spiral Mixers
Models: GSM130 & GSM175

- Powerful dual high torque motors — bowl and dough hook
- Manual and automatic control functions
- Two fixed speeds
- Dual 20 minute electronic digital timers for automatic shift from 1st to 2nd speed
- All metal construction with a cast aluminum top cover
- Polished diamond finish stainless steel bowl
- Reversible bowl drive for mixing smaller batches (1st speed only)
- Bowl jog control for easy dough removal and bowl cleaning
- Stainless steel ball bearing bowl drive for extra durability
- Sturdy reinforced dough hook easily handles large, heavy batches
- Front and rear casters for mobility
- Includes: stainless steel bowl, spiral dough hook, wire bowl guard, leveling feet and 10.5' power cord

SPIRAL VS PLANETARY...

Spiral mixers have a spiral arm that rotates on a fixed vertical axis, while the bowl spins in a counter-clockwise direction.

Planetary mixers use an agitator with an attachment that moves in circular orbits along the inside wall of a stationary bowl.
Globe’s Capacity Chart is available online at www.globefoodequip.com.

The following maximum capacities are intended as a guideline only. Varying factors such as the type of flour, water temperature, and other conditions may require batch to be reduced.

</table>

*NOTE: The mixer capacity depends on the moisture content of the dough. When mixing dough (pizza, bread, or bagels) check your Absorption Ratio percentage (AR%)! Absorption Ratio % (AR%) = Water Weight divided by Flour Weight. The capacities listed here are based on flour at room temperature and 70°F water temperature. (1 gallon of water weighs 8.33 lbs.)*

**Key Symbols**

- **X** Maximum Mixing Time - 7 Minutes
- • If high gluten flour is used, reduce batch size by 10%.
- ◆ If using chilled flour, water below 70°F, or ice, reduce batch by 10%.
- □ 2nd speed should never be used on 50% AR or lower with the exception of the SP60. The SP60 requires a 50% reduction in batch size to mix in speed 2 with 50% AR doughs.

### GLOBE MIXERS — EXTENDED WARRANTY OPTION

Globe offers an exclusive extended warranty on all Globe mixers. When purchased, the extended warranty will go into effect the first day the standard warranty terms have been met. Warranty extension is only available for purchase at the time of equipment sale. Each mixer comes with a standard 2-year parts and labor warranty at no cost to you.

Meat CHOPPERS

The direct gear drive and powerful air-cooled meat chopper motor grinds a variety of ground beef, pork or venison at 250 or 450 pounds per hour, and the seamless design promotes sanitation and easier cleaning.

Chefmate® by Globe Meat Choppers

- Direct gear driven transmission and powerful motor ensures optimum grinding performance
- CM12: 1 HP, 115/60/1
- CM22: 1-1/2 HP, 115/60/1
- All stainless steel construction for easy cleaning and sanitizing
- Compact and ergonomic design
- Forward and reverse switch
- Standard equipment includes: knife, stainless steel product tray, 1/4” and 5/16” plates, stuffing tube, plastic food pusher (additional plate sizes and stuffing plate are available)

IMPORTANT: Choppers are for beef, pork, or venison. Non-fatty products such as poultry, vegetables or cheese will cause damage.

Gas Countertop COOKING

Powerful, Efficient, COMPACT
There is more than one way to cook just about anything! With Globe's wide selection of countertop charbroilers and griddles it won't take a bigger budget or a bigger kitchen to manage it. Compact griddles and high-polished cooking surfaces designed for even heat distribution... high-efficiency gas charbroilers, hot plates and fryers, gas floor fryers and the NEW! Gas Stock Pot Range, all backed by a 2-year parts and labor warranty!

Globe® Gas Charbroilers
• Stainless steel front, available in 15", 24", 36", and 48" widths
• Stainless steel, insulated double wall construction with extended cool-to-touch front edge
• High performance 40,000 BTUs per burner
• Stainless steel U-style burner provides heat control every 12" and flame every 6"
• Choose from stainless steel/cast iron radiants or char rock
• Heavy-duty, reversible cast iron grates with drip flavor edge
• Field convertible to radiant, char rock, or combination
• Unit ships Natural Gas with LP conversion kit included

Gas Charbroiler Accessories:
• Charrack Kit includes 30 count box char rocks & two 6" char racks
• Stainless steel tent radiant
• Cast iron tent radiant
• Char Rock (30 count)
• Metal Char Rack
• 6" Char Grate
• 3" Char Grate

Globe® Gas Griddles
• 1" highly polished griddle plate fully welded to stainless steel frame for added heating efficiency
• Stainless steel front, manual or thermostatic controls in 24", 36", 48" (manual 15" also available) and the NEW 60" thermostatic
• High performance 30,000 BTUs per burner
• Stainless steel U-style burner provides heat control every 12" and flame every 6"
• Stainless steel, insulated double wall front and side construction with extended cool-to-touch front edge
• Spatula wide 4" trough
• Unit ships Natural Gas with LP conversion kit included

Advantages of Radiant Heat
Heats evenly | Easy to clean | Fewer flare-ups
Radiants distribute heat along the surface of the grill for more even and thorough cooking.

Advantages of Char Rock
Increased flame and smoke for added flavor.

Gas FLOOR FRYERS

Take frying to the next level with Globe’s gas floor models. The 35 lb. oil capacity model is perfect for operations doing low to mid volume frying. If you need more output check out the 50 or 80 lb. oil capacity models. Quality design, durability, performance and price — everything you’ve come to expect from Globe!

3 MODELS TO CHOOSE FROM...
- GFF35G/GFF35PG (Propane Gas) — 3 burner tubes, 90,000 BTUs
- GFF50G/GFF50PG (Propane Gas) — 4 burner tubes, 120,000 BTUs
- GFF80G/GFF80PG (Propane Gas) — 5 burner tubes, 150,000 BTUs

Key Features
- Stainless steel fully peened fry tank with smooth polished welds
- Large foam zone prevents excessive build up from moisture in the oil
- Efficient BTU heat exchange, 30,000 BTUs per tube
- Natural and liquid propane gas models available
- Superior heat transfer from high heat baffles
- Quick recovery Robert Shaw™ millivolt gas valve and thermostat
- Easy to clean 1-1/4” full ball-type port drain with extension pipe
- Large cold zone prolongs oil life and prevents food particle carbonization
- High limit thermostat with auto gas supply shut off
- One set of 4 casters and legs included
- Quality construction throughout! Sturdy 2.5” diameter 6” adjustable legs and casters, heavy-duty stainless steel double rod basket hangers, stainless steel full length door with galvanized sides and riveted door magnet

3 burner floor fryer yields 50-60 lbs. of fries per hour (fresh/frozen to finish)

Specifications subject to change without notice

Gas Fryer Accessories:
- Regular and large fry baskets
- Fryer cover
- Fryer cleaning set
- Fryer connecting strips
- Fryer casters

Two-year tank warranty – full fryer replacement
Two-year parts and labor warranty

Set of 4 casters and legs included!
Economy GAS COUNTERTOP COOKING

Chefmate® by Globe Radiant Gas Charbroilers
Models: C24CB-SR & C36CB-SR

Durable and powerful radiant heat. Chefmate® by Globe Charbroilers deliver 35,000 BTUs per burner and are available in 24” and 36” countertop widths.

• Maximum heat distribution with heavy-duty 10-gauge stainless steel radiants & durable steel U-style burners, providing heat control every 12” and flame every 6”
• Stainless steel construction and extended cool-to-touch front edge offers safety for the operator
• Versatile heavy-duty cast iron grates — reversible with 3 adjustable grilling positions
• Easy access — adjustable pilots accessible from the front
• Easy cleaning — 4” back and side splashes, and grate that lifts off completely for easy cleaning and servicing
• Stainless steel legs with adjustable non-skid feet

Chefmate® by Globe Gas Griddles
Models: C24GG & C36GG

Chefmate® by Globe Gas Griddles deliver the quality and value you expect from Globe, available in 24” and 36” widths to fit your footprint.

• High performance — 30,000 BTUs per burner
• Control at your fingertips — manually controlled steel U-style burners provide heat control every 12” and flame every 6”
• Stainless steel construction and extended cool-to-touch front edge
• Uniform heat distribution with 3/4” polished griddle plate
• Easy cleaning — 3.25” back and side splash, 3.25” spatula-wide trough. Cooktop lifts completely off for servicing
• Stainless steel legs with adjustable non-skid feet

Chefmate® by Globe Gas Hot Plates
Models: C12HT & C24HT

Chefmate® by Globe Hot Plates give back valuable kitchen space. Save your footprint with Globe’s 12” (2-burner) and 24” (4-burner) countertop hot plates.

• Individual flame controls and 25,000 BTUs of power per burner
• Stainless steel construction and extended cool-to-touch front edge
• Heavy-duty cast iron grates for maximum heat distribution
• Stainless steel legs with adjustable non-skid feet

All CHEFMATE™ BY GLOBE gas countertop cooking equipment has a one-year parts and labor warranty.
Electric SANDWICH GRILLS

Powerful, Efficient, COMPACT
Big or small, single or double, smooth or grooved: however you need it, Globe has it. Constructed of durable stainless steel with seasoned cast iron plates, Globe sandwich grills are heavy-duty and portable, perfect for front or back-of-house use.

Globe® Bistro Series 10" Single & Double Sandwich Grills
• Single grill cooking surface is 10" wide
• Double grill surface size: continuous 18"W bottom plate and two 8.375"W top plates make it easy to cook different products at the same time
• Heavy-duty, seasoned cast iron grill plates (smooth or grooved)
• Heavy-duty hinge with adjustable tension spring
• Temperature thermostatically controlled up to 570°F
• Stainless steel scraper included with grooved units
• Optional panini brush available
• Stainless steel construction
• Large capacity, easy-to-clean, stainless steel catch drawer
• Single grills 120V, 1800W, Double grills 240V, 3200W

"I've been using Globe sandwich grills for years; they're great, well constructed products."
— Helmut F.J. Holzer, CMC-GMC VP Corporate Executive Chef R&D Gourmet Foods International

THE GLOBE PROMISE

Companies talk about standing behind their products, in front of and next to their products. We’re not sure the exact location is important. What matters is when you buy Globe equipment you get the company too. Our equipment is precision made and backed by one of the best warranties in the business. Your orders will ship on time and, in most cases, immediately. Welcome to Globe, you’ll be delighted to work with us.

Service and Support
Globe offers technical support from 8 a.m. to 8 p.m. EST, 7 days a week (excluding major holidays) at 1-866-260-0522. Globe’s authorized service network is available to keep your Globe equipment operating precisely. Visit www.globefoodequip.com to find a servicer near you.
